

## Natas – Stage by stage explanation

### Level 0 -> 1

After initially logging in to natas 0, by going to address `http://natas0.natas.labs.overthewire.org` and entering natas0 for both fields, we are greeted by a page which says “You can find the password for the next level on this page”. A quick right click -> inspect element reveals the password as an HTML comment.

The password for natas 1 is `gtVrDuiDfck831PqWsLEZy5gyDz1clto`

### Level 1 -> 2
